

HVACR WORLD

24 - 27 November 2025
Za'abeel Halls 4 - 6
Dubai World Trade Centre

YOUR OFFICIAL EVENT GUIDE

Accelerating climate innovation across industries

Endorsed by:

www.hvacr-world.com

The meeting point for the global HVACR community

Rising energy costs, tighter sustainability targets and smarter climate control needs are changing every sector from hospitals to data centres, construction and hospitality.

HVACR World, launching 24–27 November 2025 at Dubai World Trade Centre, is the MEASA region's dedicated HVACR event. Find the innovations, insights and connections to tackle these challenges and get results.

Cooling & Heating

engineered for life®

“ Navigating the challenges of refrigerant transition, energy efficiency and decarbonization is critical for the global HVACR industry.

HVACR World offers a platform for showcasing advanced solutions and technologies, engaging in knowledge-sharing lectures and sessions and collaborating with key stakeholders to address these challenges and assist in decision-making.

Nabil Shahin, Managing Director, AHRI

Source ideas and solutions from every corner of the globe

Americas

Energy-efficient systems from brands like Ecoer and Taco. Discover smart controls and hydronic designs that boost ROI across projects.

Europe

Sustainable, precision-engineered solutions. Find high-quality systems that cut energy use, extend life and deliver long-term value.

Asia

Efficient, scalable products designed to balance cost and performance. See smart cooling and automation that delivers stronger returns.

Middle East

High-ambient climate specialists like Toshiba and FAWAZ Group. Discover energy-smart systems that cut power use and boost investment value.

Watch live demos of products that drive efficiency

Serving customers in 150+ countries with advanced HVAC, chiller and building automation systems. Global leader in smart, sustainable buildings.

The logo for Hisense, with the brand name in white bold sans-serif font inside a teal rectangular box.

Hisense

Leading provider of efficient air conditioning and VRF systems for residential, commercial and industrial use.

Australia's largest air conditioning manufacturer, known for energy-efficient cooling and heating systems like Breezair and Climate Wizard.

The logo for Haier, with the brand name in a large, bold, blue sans-serif font.

Haier

Trusted by 20M+ users globally. Haier leads in IoT-connected, energy-efficient air conditioning and commercial climate systems.

The logo for Hitachi, with the brand name in a bold, black, sans-serif font.

HITACHI

Cooling & Heating

Japanese-engineered HVAC solutions with a legacy of innovation and efficiency. Trusted partner to businesses in 90+ markets.

Backed by 130 years of engineering excellence, Bosch delivers sustainable HVAC solutions with advanced heat pumps and chillers.

VIEW EXHIBITOR LIST

Gain CPD-certified knowledge from industry leaders

HVACR Talks give you practical knowledge, real examples and direct access to industry leaders. Walk away with clarity you can use the moment you're back at work.

Key themes include:

Innovation & Emerging Technologies in HVAC

Sustainability & Net Zero Goals

Workforce Development & Upskilling

Regulatory Compliance & Standards

// The diversity and technical depth of the sessions at HVACR World highlight the commitment of ASHRAE Falcon Chapter to support industry knowledge and practical learning.

Participants will gain valuable perspectives on decarbonization pathways, refrigerant transitions, environmental air quality and emerging technologies, directly applicable to the region's evolving market.

Abdallah Mahmoud, President, ASHRAE Falcon Chapter

How to get to HVACR World

RECOMMENDED

Metro

- Stop at Dubai World Trade Centre Metro Station.
- Follow the highlighted path to the Exhibition Gate.
- Walk through Halls 1-4, then continue straight to Za'abeel Concourse 2.
- HVACR World is located in Za'abeel Halls 4 & 5.

Parking / Taxi

From Za'abeel Plaza Parking

- Walk directly towards Za'abeel Concourse 2.
- Enter through Za'abeel Hall 4 or Za'abeel Hall 5.

From Al Mustaqbal Street Parking

- Cross the bridge towards the Convention Gate.
- Walk along the outside of the Convention Tower and follow signs to Za'abeel Concourse 2.
- Enter through Za'abeel Hall 4 or Za'abeel Hall 5 to reach HVACR World.

Bus

- Take buses 27 or 29 and get off at the Novotel Hotel stop, located outside the Convention Gate entrance at Dubai World Trade Centre.
- Follow the signs towards Za'abeel Halls and enter through Za'abeel Hall 4 or Za'abeel Hall 5 to reach HVACR World.
