Secure growth in MEASA's expanding HVACR sector

Building on its successful launch, the second edition of HVACR World connects exhibitors with serious buyers and decision-makers from high-growth sectors including construction, healthcare, logistics, data centres and food and beverage across MEASA.

Supported by government bodies and leading industry associations, the event brings together organizations advancing sustainable, energy-efficient and future-ready HVACR technologies, creating opportunities to grow visibility, partnerships and international business.

EXPAND YOUR BRAND INTO NEW MARKETS. [GET INVOLVED.](#)

Collaborating with associations to support industry growth

HVACR World is endorsed by leading industry bodies, reinforcing its credibility and relevance for HVACR professionals across the region.

AHRI (Air-Conditioning, Heating, and Refrigeration Institute) represents international manufacturers across heating, ventilation, air conditioning, water heating and commercial refrigeration, reflecting alignment with global standards and performance.

ASHRAE Falcon Chapter supports technical excellence and professional development within the HVACR sector, contributing engineering expertise and knowledge leadership to the event.

INTERESTED IN PARTNERING AS AN ASSOCIATION? [GET IN TOUCH TO EXPLORE OPPORTUNITIES.](#)

Built to connect HVACR businesses with growth opportunities

Launch and showcase new products

Introduce new HVACR solutions and demonstrate how they meet project, efficiency and compliance requirements.

Network with decision-makers

Access senior buyers and influencers involved in specification, approval and purchasing decisions.

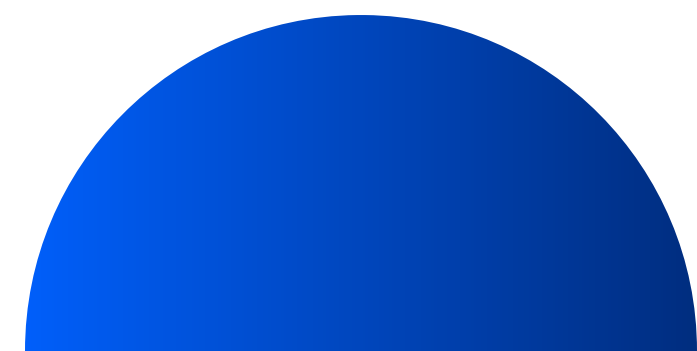

Build routes to more markets

Identify distribution, partnership and expansion opportunities across priority MEASA markets.

Establish industry leadership

Reinforce authority by aligning your brand with industry dialogue, standards and best practice.

MAKE HVACR WORLD A KEY DRIVER OF YOUR SALES EFFORTS. [CONTACT US TODAY.](#)

Drive your brand forward and scale your impact

HVACR World connects established brands, innovators and senior decision-makers from across MEASA, providing a focused platform to showcase solutions supporting automation, refrigeration, data centres and evolving HVACR market needs and build long-term business connections.

The exhibition

Showcase HVACR products and technologies designed for MEASA's market needs and connect with professionals actively evaluating solutions.

Global insight & leadership

Participate in invite-only leadership forums, association-led roundtables and training sessions with AHRI and ASHRAE Falcon Chapter, focused on best-practice.

Product launches & demos

Launch new solutions and demonstrate capabilities to buyers, consultants and engineers across the HVACR value chain worldwide.

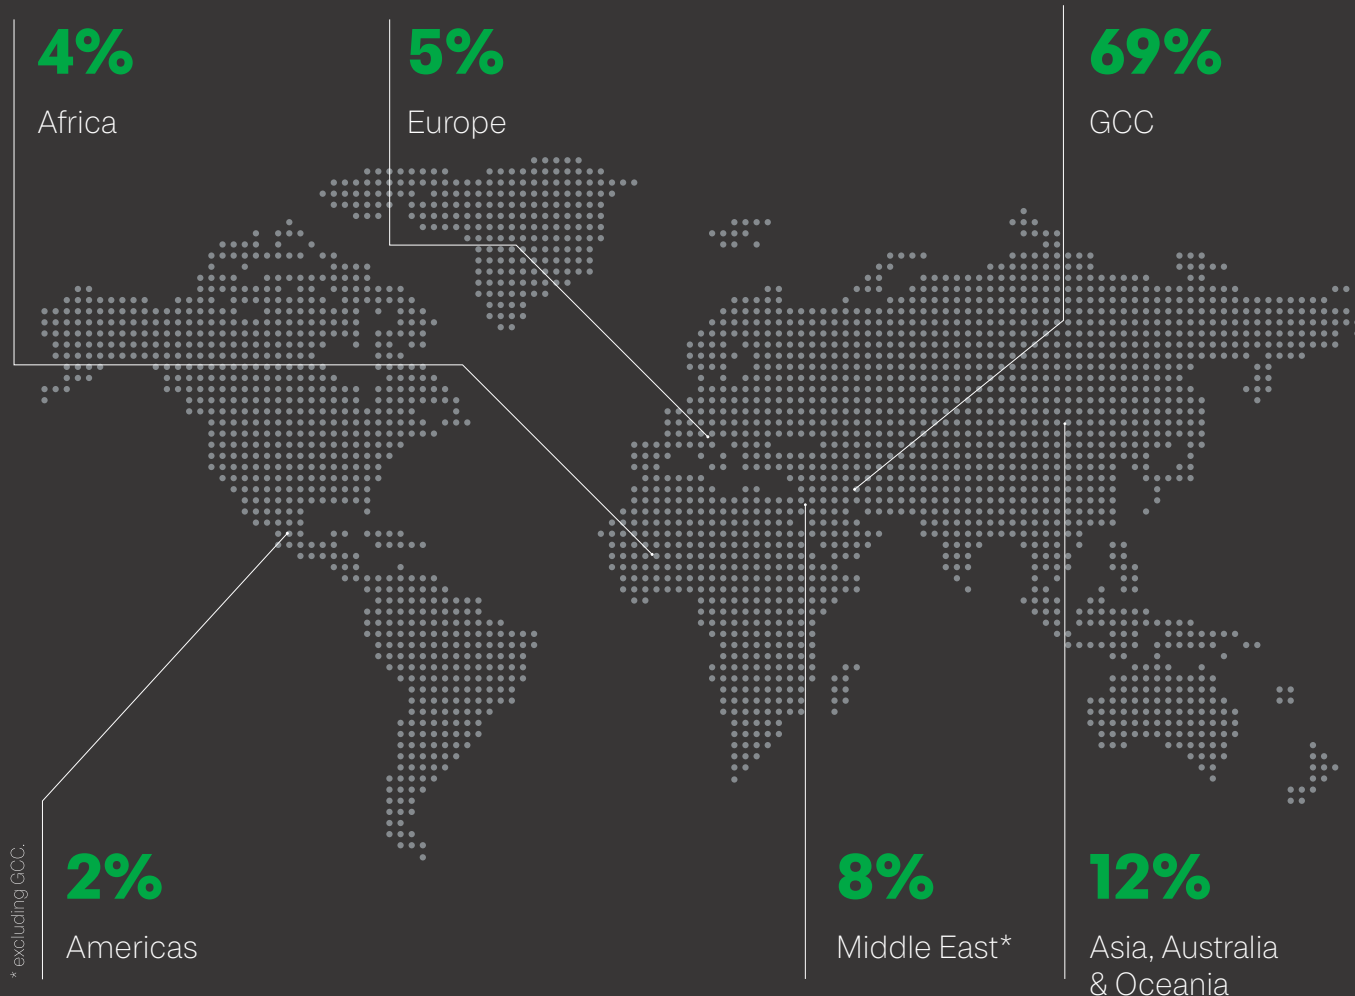

Technical sessions & workshops

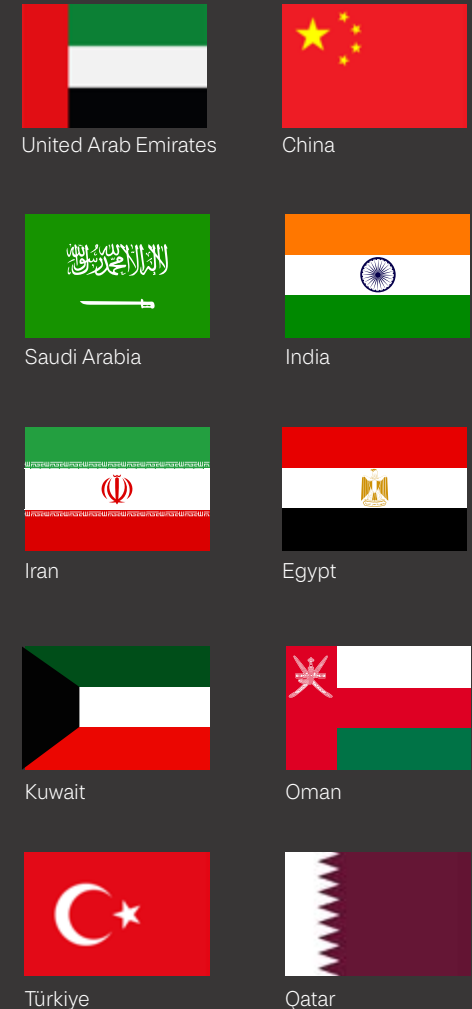

Deliver focused sessions that upskill participants and support effective HVACR technology adoption through practical learning and industry discussion.

A direct route to buyers in key global markets
